\$600.00

Aged 20 months in barrel

The 'Black Magic' bottling was inspired by the darkness of a moonless night in the Napa Valley. It is made up predominately of Cabernet Sauvignon fermented with Petit Verdot, along with some of the most sought after Cabernet Franc in the valley.

Aromatically the wine is powerful, with notes of spiced blackberry jam and fine, dark chocolate covered espresso beans. On the palate the wine is bold and thick, with juicy blackberry flavors and silken tannins

The 2021 Pure Magic is again a co-fermentation, this vintage being Cabernet Sauvignon and Cabernet Franc. The profile is an outlier amongst the vintage, with an exuberance, overt flesh and showiness that separates it from the herd. The blue and black fruit emanate from the glass, with bountiful blackberries, black tea, blueberries, and baking spices, leading to a tremendously long, silky finish. A true magic trick.

Beckstoffer To Kalon is possibly Napa Valley's most iconic vineyard in part due to the number of 100-point wines that have carried its vineyard designation. Our 2021 shows its classic profile - dark fruited, with notes of blackberry, currants, black cherries, dark chocolate, and espresso. This vintage reminds us of the best qualities from the 2019 and 2018 vintages: the structure and complexity of 2018, yet the aromatic lift, generosity, and approachability of 2019. Comparable to an offensive lineman who is powerful but smooth and graceful on his feet. While very approachable in its youth, we know it will continue to age extremely well.

Aged 20 months in 80% new French Oak

Our 2021 Vine Hill Ranch leads with beautiful balance, grace, and length. It is almost equal parts red fruit, blue fruit, and black fruits, displaying one of the greatest Cabernet vineyards in the world. The Cabernet comes from the most gravelly soils, on vines planted roughly 20 years ago in Block 7. This vintage again shows the amazing mid palate and what the slightly 'cooler' side of South Oakville can produce. Its rounded texture and balance continue to resonate through the long silky finish.

Aged 100% French oak barrels

Our 2021 Melanson has an additional level of richness and a slightly higher level of black fruits over the typical red fruit spectrum that Pritchard Hill provides. An amazingly rich and seamless mid to back palate that shows its mountain terroir. This will be the longest-lived Melanson we have ever made, an homage to the majesty of Pritchard Hill. Deep, dark, and opulent. Brilliant wine. This wine is considered TOR's most age-worthy Cabernet Sauvignon.

Matured for 20 months in Taransaud and Darnajou barrels

The Oakville Cabernet is a perfect example of why Oakville is the premiere appellation for Cabernet in the Napa Valley. This wine checks all the boxes, with a savory, umami element, a touch of mushroom and a hint of eucalyptus. The fruit is plentiful, with blackberry, chocolate covered cherry, blueberry pie and a graphite minerality. Baking spices of cinnamon, clove and nutmeg add an extra touch of complexity. A true champion of this vintage.

Aged in 80% new French Oak and remaining used from 2017 vintage

The 2019 Tierra Roja immediately shows the more classic red fruit profile that you expect from these intense/iron rich soils. This shows a very floral side to the aromatics with roses/rosemary/lavender and sage. The palate is firm but with sweet tannins and a bit of wet earth, cloves and cinnamon stick. Tierra Roja tends to be fairly forward in its youth but always surprises with just how long and well it can go in the cellar, and I think this year is no exception.
